FACILITIES:

Mandara Spa

A beautiful signature Mandara Spa set amidst a little a lotus pond in the heart of the island features world class spa experiences including a wide array of classic Spa massages, scrubs and baths as well as signature treatments including Ayurvedic and herbal therapies. Our own Spa garden with a large collection of local medicinal plants as well as beautiful dispensary complements the services.

Meridis Diving & Water sports

A professional and well experienced dive team welcome you to explore the colossally beautiful underwater world of the Haa Alifu Atoll. Since the resort is among the first in this part of the Maldives undisturbed, and almost private dives can be arranged, a great array of manta, whale sharks, sharks, dolphins, turtles, napoleon fish and thousands of small and big underwater creatures can be spotted, some almost daily, some subject to the season.

The fully PADI certified Dive centre offers trial dives as well as the whole range of dive courses from scuba diver to dive master, NITROX diving is available for free. Additionally a wide range of water sport facilities are available including snorkelling, sailing, kayaking, banana and fun tube rides, water skiing, wind surfing as well as boat rentals (all motorized sports as well as all sports with instructor are subject to a charge).

Gift shop

The Alidhoo gift shop has a wide range of superbly crafted items available including a range of handicrafts from the Maldives, wooden carvings and textile items from Sri Lanka, spices and knick knacks from the region. A premium line of bathing suites and beach ware in addition to quality clothing as well as precious leather items from Sri Lanka is also available including daily vanity and sanitary items.

Sifani Jewellery Shop

A highly regarded jeweller is available on site offering a collection of premium quality jewellery all in minimum 18k gold setting with genuine gem stones. Most of the gem stone originate from Sri Lanka, which is famous for its Sapphires (Ceylon sapphire), topaz, quartzes and tourmaline.
